

FEDLINK Spring OCLC Users Group Meeting

Join your colleagues for a day-long OCLC users meeting. In the morning hear the latest about OCLC Interlibrary Loan, Cataloging and Metadata services, and NetLibrary, and see a demonstration of the new ILL Policies Directory and a preview of the soon-to-be-released OCLC Connexion client interface.

The afternoon session features a demonstration of OCLC's virtual reference service, QuestionPoint, and a discussion of its implementation. The day will wrap up with an update on OCLC's Digital Preservation Resources services and an in-depth look at OCLC's Digital Archive.
